**Notice to Shareholders of the Manulife Global Fund – Diversified Real Asset Fund
("Notice")**

11 November 2024

Dear Shareholder

The board of directors (the "**Directors**") of Manulife Global Fund (the "**Company**") is writing to you to advise you of the proposed merger (the "**Merger**") of Manulife Global Fund – Global Resources Fund (the "**Global Resources Fund**") into Manulife Global Fund – Diversified Real Asset Fund (the "**Diversified Real Asset Fund**"). All changes set out in this letter take effect on 13 June 2025 (the "**Effective Date**"), unless specifically stated and this letter forms notice to Shareholders of that fact.

Words and phrases used in this Notice shall, unless otherwise provided, have the same meanings as are ascribed to them in the prospectus of the Company (the "**Prospectus**").

1. Background / Rationale for the Merger

The Board is of the view that the proposed Merger will provide Shareholders with a more competitive investment offering that will better meet Shareholders' needs and objective.

The Diversified Real Asset Fund has a wider investment universe, and primarily invests in companies with significant business interests in real asset-related sectors and industries, including listed equity and equity-related securities of companies in global resources sectors which are the primary investment of the Global Resources Fund. As such, the Merger will provide Shareholders of the Global Resources Fund with the benefit of investing in a broader range of assets and a more diversified strategy under the Diversified Real Asset Fund, which is not constrained to investing only in the global resources sectors. Current Shareholders of the Global Resources Fund will therefore benefit from a greater diversification of investments (and, in particular, be subject to less exposure to the volatility risk associated with investing in global resources sectors) after the Merger.

Further, by combining the portfolios and assets under management of the Global Resources Fund and the Diversified Real Asset Fund into a single Sub-Fund, the Merger is expected to benefit the Shareholders in the Global Resources Fund as it will create a larger pool of assets which enable the Investment Manager to manage the assets in a more efficient and effective manner. Further, the Merger is expected to bring about economies of scale from a fund management perspective that may result from lower operating and administrative expenses arising from an increased size of assets under management in the longer term.

Therefore, in accordance with Article 21 of the Company's Articles of Incorporation, the Directors believe that it is in the best interest of Shareholders to merge the Global Resources Fund into the Diversified Real Asset Fund on the Effective Date.

2. The Merger

At the close of business on the Effective Date, the assets and liabilities of the Global Resources Fund will be merged into the assets and liabilities of the Diversified Real Asset Fund. Shareholders of the Global Resources Fund who have not exercised their right to redeem or switch their Shares before the Dealing Cut-Off Point (as defined below) will become Shareholders of the Diversified Real Asset Fund and the Global Resources Fund will cease to exist on or around the Valuation Point on the Effective Date.

The portfolio of the Global Resources Fund currently holds 16,550 shares of Nevada Copper Corp (the “**Relevant Asset**”) that has been delisted from the Canadian National Stock Exchange on 17 June 2024 and is currently undergoing bankruptcy proceedings. As of 4 September 2024, the Relevant Asset has been assigned with a value of zero (which amounted to 0.00% of the Global Resources Fund’s Net Asset Value) in accordance with the Articles of Incorporation and the Prospectus and in consultation with the Depositary, which the Directors consider to be the fair value of the Relevant Asset.

The Relevant Asset is expected to be transferred from the Global Resources Fund to the Diversified Real Asset Fund as part of the Merger process in accordance with the Articles of Incorporation and the Prospectus if bankruptcy proceedings are still ongoing by the Effective Date. In view of the size and value of the Relevant Asset, the proposed transfer is not expected to have any impact on the liquidity of the Diversified Real Asset Fund and will not materially prejudice the rights or interests of the Shareholders of the Diversified Real Asset Fund.

The Shareholders of the Global Resources Fund will receive a number of Shares of the corresponding Class in the Diversified Real Asset Fund, the total number of which will be determined by multiplying the number of Shares in such Class in the Global Resources Fund by the exchange ratio. The exchange ratio will be calculated for each Class by dividing the Net Asset Value per Share of such Class in the Global Resources Fund calculated on the Effective Date by the Net Asset Value per Share in the corresponding Share Class in the Diversified Real Asset Fund calculated at the same time on the Effective Date. The calculation of the exchange ratio will be verified by the Depositary and the Auditors of the Company. Any accrued income on the investments of the Global Resources Fund as at the Effective Date will be reflected in the Net Asset Value per Share of the Global Resources Fund and thus will be reflected in the Net Asset Value per Share of the Diversified Real Asset Fund.

3. Impact on the Shareholders of the Diversified Real Asset Fund

Upon the Merger, Shareholders of the Diversified Real Asset Fund will continue to hold the same Shares in the Diversified Real Asset Fund as before and there will be no change in the rights attached to such Shares.

Save for an increase in assets under management, which may marginally decrease the trading costs of the portfolio attributable to each Share, it is not expected that there will be any impact on the Shareholders of the Diversified Real Asset Fund. There will be no repositioning in respect of the Diversified Real Asset Fund portfolio to accommodate the Merger. The Diversified Real Asset Fund will continue to adhere to its existing investment objective and policy upon the Merger taking effect.

In addition, the Merger is not expected to have any impact on the performance of the Diversified Real Asset Fund and it is not expected that such performance will be diluted.

4. Costs of the Merger

There will be no costs associated with the preparation and the completion of the Merger charged to the Diversified Real Asset Fund or the Shareholders of the Diversified Real Asset Fund.

5. Shareholders Rights

Redemption and Switch of Shares

If you do not wish to participate in the Merger, you may apply to redeem your Shares or switch them into Shares of the same Class or Category in any other Sub-Funds free of any switching or redemption charges. However, your bank or financial adviser may charge you fees in respect of such switching/redemption instructions. You are advised to contact your bank, distributor or financial adviser should you have any questions.

If you choose to redeem your Shares, the redemption proceeds will be paid to you in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document). If you choose to switch your Shares to a holding in a different Sub-Fund of the Company, the proceeds will be utilised to purchase Shares in the Sub-Fund(s) specified by you at the Subscription Price applicable to that Sub-Fund in accordance with the provisions of the Prospectus (and in the case of Hong Kong Shareholders, the Hong Kong Covering Document).

You can only switch your holding into Shares of the same Class or Category in other Sub-Fund(s), which is/are offered or sold in your jurisdiction pursuant to the provisions of the relevant offering documents, and such switch is subject to all applicable minimum initial investment amount and minimum holding requirements as well as investor eligibility criteria being complied with. For the purposes of switching, each of the following shall be deemed to be within the same Category: (1) Shares of AA/R Classes and Shares of P Classes in any Sub-Fund; and (2) other Classes of Shares in any Sub-Fund as the Directors may from time to time decide.

Any switching or redemption of your Shares may affect your tax position. You should therefore seek guidance from your professional advisers on any applicable taxes in the jurisdiction of your respective incorporation, establishment, citizenship, domicile or residence.

Right to Obtain Further Information

You may obtain, upon request, a copy of the report of the auditor on the Merger prepared by PricewaterhouseCoopers Société cooperative as well as a copy of the common terms of merger. Both are available at the registered office of the Company.
