**Notice to Shareholders**  
**("Notice")**

11 March 2026

Dear Shareholder,

We are writing to inform you of certain changes to the Manulife Global Fund (the "**Company**").

Unless otherwise specified below, these changes will be reflected in the revised Prospectus of the Company (and where applicable and for Hong Kong Shareholders only, the revised Hong Kong Covering Document) (collectively, the "**Revised Prospectus**") to be dated April 2026. This Notice, which summarizes the changes for your ease of reference, should be read in conjunction with the current Prospectus of the Company dated October 2025 (and where applicable and for Hong Kong Shareholders only, the current Hong Kong Covering Document dated October 2025) (collectively, the "**Prospectus**") and, when available, the full text of the Revised Prospectus (which contains full and complete information about these changes).

Words and phrases used in this Notice shall, unless otherwise provided, have the same meanings as are ascribed to them in the Prospectus.

The board of directors of the Company (the "**Directors**" or the "**Board**") has decided that it is appropriate to implement the following changes with respect to the Company with effect from 27 April 2026 (the "**Effective Date**") (unless otherwise specified below):

**1. *Appointment of Sub-Investment Manager for Dynamic Leaders Fund***

To better utilise the expertise and resources of Manulife's investment management teams in different jurisdictions, Manulife Investment Management (US) LLC, the Investment Manager of the Dynamic Leaders Fund, will appoint Manulife Investment Management Limited as the Sub-Investment Manager of the Sub-Fund.

The Sub-Investment Manager is regulated by the Ontario Securities Commission in Canada. The Investment Manager and the Sub-Investment Manager are both members of the Manulife Financial group.

**2. *Amendment to investment policy of Asian High Yield Fund***

The Asian High Yield Fund currently invests at least 70% of its net assets in higher-yielding debt securities listed or traded in Asia and/or issued by corporations, governments, agencies and supra-nationals domiciled in or with substantial business interests in Asia and rated below investment grade (i.e. below Baa3 by Moody's or BBB- by Standard & Poor's or Fitch) or if unrated, determined to be of comparable quality, along with other investments as detailed in the Prospectus.

The investment policy of the Sub-Fund will be amended to provide that it may invest up to 10% of its net assets in distressed securities, which are securities of issuers that are encountering a variety of financial or earnings problems, including issuers with substantial capital needs or negative net worth or issuers that are, have been, or may become, involved in bankruptcy or reorganisation proceedings; issuers for which there is a reasonable expectation of default; and/or issuers who have already defaulted.

**3. *Change of performance comparison benchmark of Global Equity Fund***

The benchmark for performance comparison purposes of the Global Equity Fund will change from MSCI World NR USD index to **MSCI World Value NR USD index** (the “**New Benchmark**”). The New Benchmark is considered more representative of the underlying investments in the Sub-Fund’s portfolio.

For the avoidance of doubt, the Sub-Fund will continue to pursue an actively managed investment strategy. The investment objective and policy of the Sub-Fund remain unchanged.

**4. *Change of notice period in relation to increase in management fees***

Currently, the annual management fees payable by the Sub-Funds may be increased to a maximum of 6% of the Net Asset Value of the relevant Sub-Fund by giving not less than three months’ prior notice (the “**Relevant Notice Period**”) of the proposed increase to the Depository and to the Shareholders of the relevant Sub-Fund.

The Relevant Notice Period shall be changed from not less than three months’ prior notice, to not less than one month’s prior notice.

For the avoidance of doubt, any increases beyond the permitted maximum rate of 6% as prescribed in the Articles of Incorporation will continue to require the approval of the Shareholders of the relevant Sub-Fund(s) passed by extraordinary resolution.

**5. *Update to switching charge and related disclosures***

Currently, in accordance with the Prospectus, a switching charge of up to 1% of the total Redemption Price payable on the Shares being redeemed shall apply in respect of all switching requests received by the Company or the Distributor, unless otherwise agreed with the relevant Shareholders.

In order to better align with market practice and to facilitate the distribution of Shares of the Company through different distributors and channels, the switching charge shall be updated to “up to 1% of the value of the Share(s) being switched, unless otherwise agreed with the relevant Shareholders”.

For the avoidance of doubt, the maximum percentage level of switching charges (namely, up to 1%) applicable to existing investors will remain unchanged on the Effective Date. You are advised to contact your bank, distributor or financial adviser should you have any questions.

**6. *Other miscellaneous updates***

Please also take note of the following miscellaneous updates to the Revised Prospectus (and where applicable, the Hong Kong Covering Document):

In the case of redemption, the redemption proceeds will be paid to you in accordance with the provisions of the Prospectus.
