

Factsheet

Manulife Global Fund - Asian Small Cap Equity Fund

Investment Objective

The Fund aims to provide long-term capital growth for those investors who hold a long term investment view and are prepared to accept significant fluctuations in the value of their investments. The Fund's investment portfolio will be made on a diversified basis, for which at least 70% of its net assets will be invested in equity and equity related investments of smaller capitalisation companies in the Asian and/or Pacific region. Such equity and equity related securities include common stocks, preferred stocks and depositary receipts.
